

IMPORTANT LOAN INFORMATION

You have the right to cancel all or part of your Stafford Loan within the first 14 days after you receive your loan funds. If you discover that you do not need the total amount of the proceeds and you want to exercise your right to cancel all or part of your loan, you must notify our office in writing. You must also return any funds that you have already received from the program and that you do not wish to borrow. This can be done by going online to MyCSI and making a payment OR meeting with an Enrollment Specialist to receipt payment on your account at CSI.
